- 1. Ensure you clean the rooms after EVERY game
- 2. Pass the keys on to the next team
- 3. Lock up!

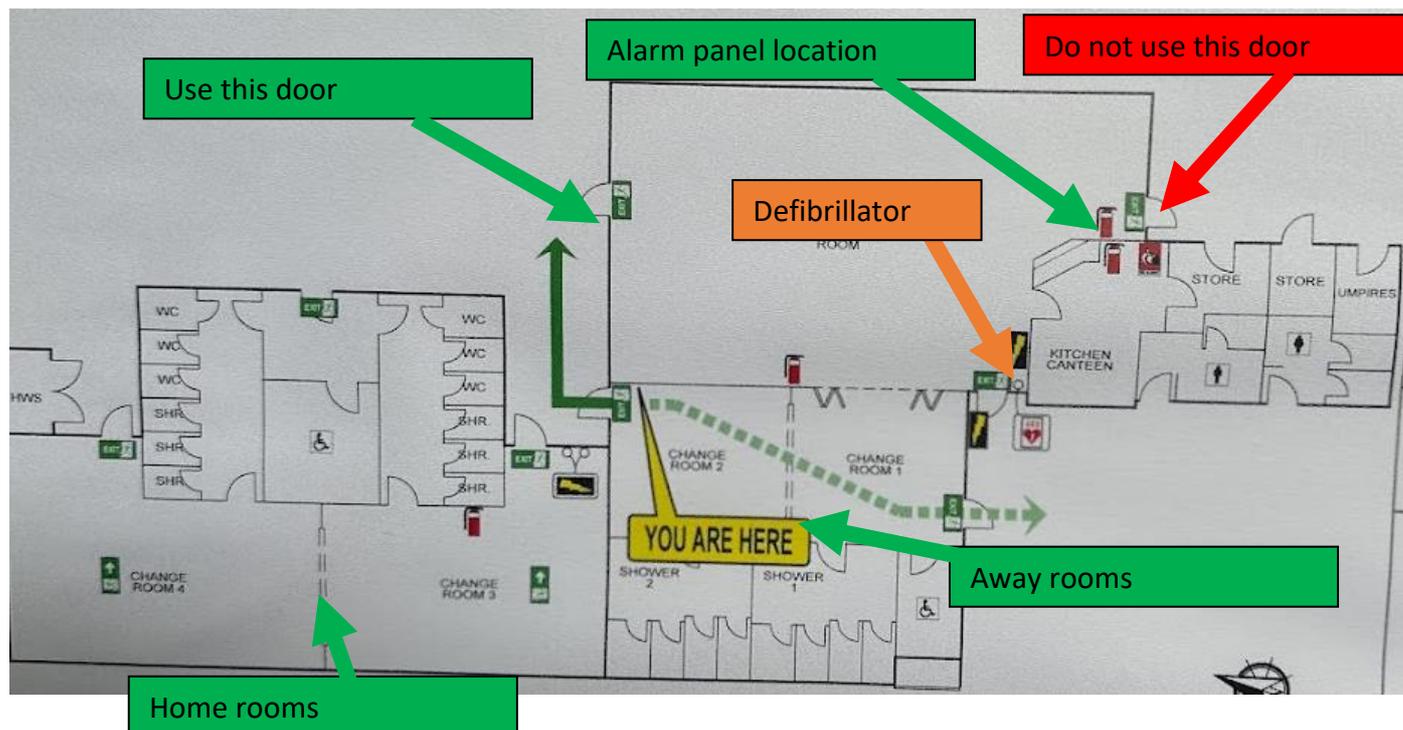

Step 1: Collect keys

Liaise with the TM Coordinator for a set of keys

Step 2: Turn off/on alarm

Alarm code is 1997

Locate the alarm panel near the broken door (refer to picture) and enter the code 1997 then OFF (or ON to lock). Main pavilion – door is located at the rear. The ‘front’ door is broken.

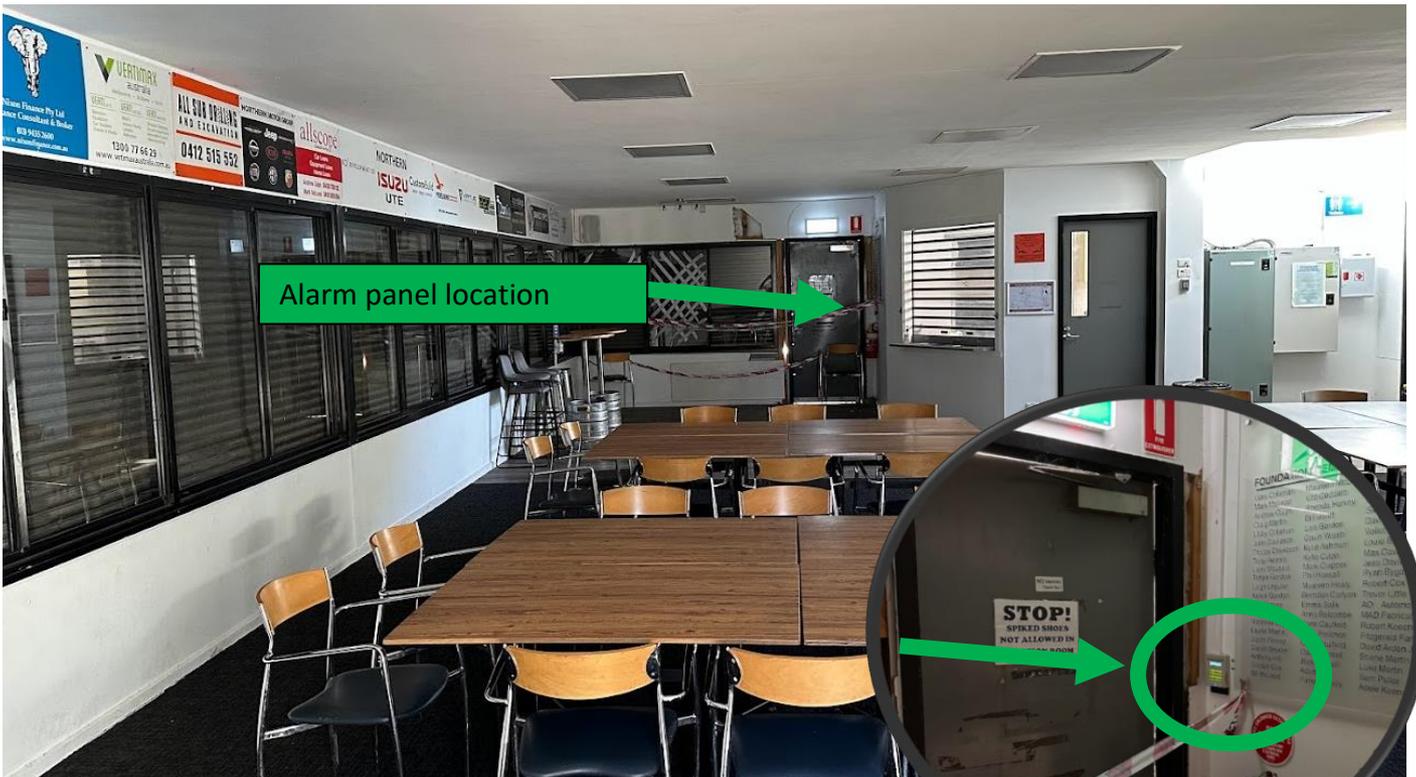

Use this door

Do not use this door

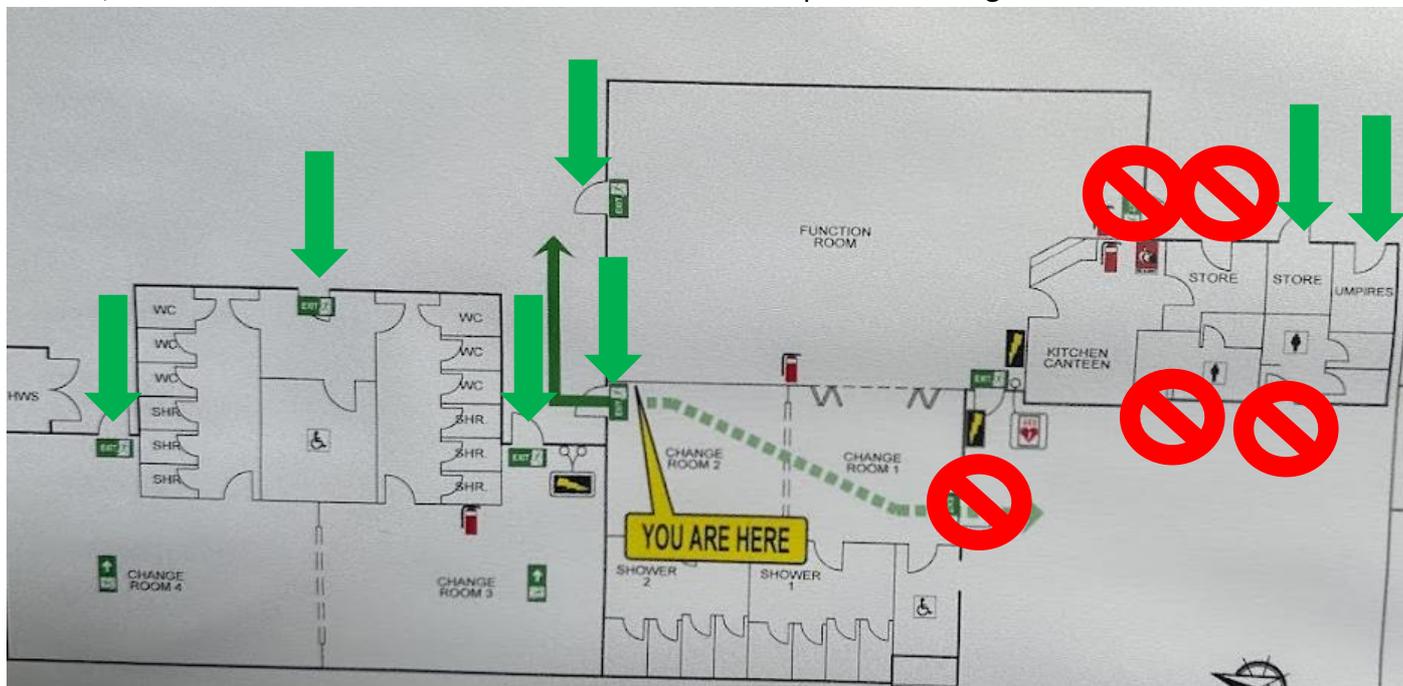

Alarm panel location

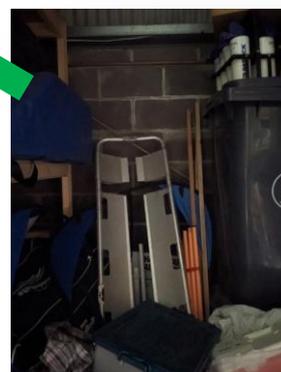

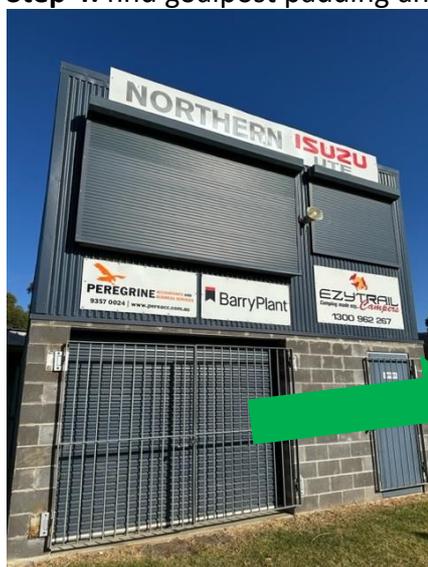

Step 3: Unlock 7 doors as indicated below. Do NOT open as indicated below. On exit, lock these doors and arm the alarm. Check all doors prior to arming.

Step 4: find goalpost padding and stretcher.

Step 5: clean up after EVERY game. There are brooms and mops located in the building.
